

Individual Team Effort Report

PHYS 201L | Submit privately through the LMS with each team notebook

Purpose: Describe contributions candidly and specifically. This report is private. It may be used with instructor observations to adjust an individual grade when participation differs materially from the team's submitted work.

Your name:	Team name:	Experiment number and title:
First lab date:	Second lab date:	Submission date:

Contribution areas

Check every area in which you made a substantive contribution:

☐ Planning / physical model	☐ Apparatus setup / safety	☐ Calibration / troubleshooting
☐ Data collection	☐ Data-quality checks	☐ Coding / calculations
☐ Uncertainty analysis	☐ Tables / figures	☐ Writing / editing / GitHub save

Team effort estimate

List every team member, including yourself. Percentages must total 100%. Describe observable work rather than personality or effort alone.

Your contribution

Describe the most important work you personally completed. Identify specific measurements, calculations, code, figures, or writing.

Describe one decision, problem, or check in which your contribution improved the team's result.

Team functioning and certification

If participation was substantially uneven, or if the instructor should know about a team problem, explain briefly. Otherwise write 'No concerns.'

Certification: I have reported contributions honestly and understand that this form is an individual academic submission.
